

How do I access my Goscotties.com gmail account

Introduction

Visit <u>Technology.freemansd.org</u> for more tutorials and information. Google GSuite is used to connect, create, and collaborate with students via their school issued Goscotties.com gmail account. All staff members have a goscotties.com account using the same syntax (first letter of firstname followed by lastname @goscotties.com) as their school issued freemansd.org account. Goscotties.com email address and password can be found in your new staff paperwork.
